CURRICULAR ASPECTS

1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

Colleges affiliated to UOM and hence, all the programmes taught are required to implement the syllabus as prescribed by the UOM to achieve the educational, social and cultural objectives. Faculty members of various departments are involved with the Board of Studies

The teaching plan is verified by the HOD. Due to the pandemic situation, faculty members also use various ICT tools and active learning strategies to supplement the online learning management system and to make it more effective. Each department is encouraged to enhance and enrich the learning outcomes both through the curriculum as well as through various hands-on methods like presentations, seminars, projects and prior to the pandemic even with field visits which helps to supplement and complement the prescribed curriculum.

For the effective delivery and documentation of the curriculum,

the College has a fully-equipped studio, editing bays and audio-visual production centres. The college teachers use PPT for elaborating principle concepts in the discussion. Cameras, laptops, recording equipment and other ICT tools and e-resources are made available to the students to enable them to undertake their curricular tasks. Updated library facilities with e-journals along with lesson notes through Google classrooms, question bank by the faculty help the students.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

As per the academic schedule determined by the UOM, a well-structured academic calendar is prepared by the Principal and College committees which provide relevant information regarding the date of commencement of the academic session, the teaching learning schedule (working days), various events to be organized, holidays, tentative dates for project submissions, Practical exam dates, internal examination, as well as semester-end examination dates.

The academic performance/progress of students is continuously monitored through internal assessments, project work, and semester-end examinations, during the semester to assess the learning levels of students. The transparency in examination is followed by the college.

In addition to the semester examinations, internal projects are also the part of Continuous Internal Evaluation. The University has changed the pattern of examination to the MCQ pattern.

Faculty members take best of efforts to ensure quality and to enhance academic growth and so students are encouraged to contact faculty beyond classroom hours for doubt-clearing and curricular discussions. The examination results are reviewed and the weaker students are taught again and also sometime consulted for their benefits. Extra hours are devoted to taking remedial classes to

augment students' preparedness before University examinations.

1.3 - Curriculum Enrichment

1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

Our College assimilates various Cross-cutting issues of the society like Human Values, Professional Ethics, Ethical Values Gender Equality, Environmental Awareness, which are inseparable part of our curriculum and sensitises our students towards these issues.

The compulsory courses in the curriculum of UOM like Environmental Studies, Foundation Course enhance professional competencies , help to inculcate general competencies like societal values, encourage human values, environment sensitivity etc., thereby

leading to the holistic development of students.

Under the aegis of the N.S.S., N.C.C., the college conducts various programmes on Human Rights to provide awareness among students.

Our College also celebrates days of National and International importance as Republic day, Women's day, Independence Day, Teacher's day, Human Right Day, International Yoga Day etc. These celebrations nurture the moral, ethical and social values in the students. The college has Women Grievance Cell and Grievance Redressal Cell to provide counselling to students, promote gender equity among students and also deal with related issues of safety and security of female students, staff and faculty. The college campus is secured with CCTV and high level security.

As per the guidelines of UGC, AICTE and the University, an Anti-Ragging Committee has been constituted to handle the issues pertaining to ragging. Any student can lodge a complaint without disclosing his/her identity in case of any inconvenient incident.

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

To identify advanced and slow learners the learning levels and general knowledge of students are assessed through class-room discussions and performance evaluation. The identified students are then given individual guidance by faculty members and are encouraged to participate in various curricular, co-curricular and extra-curricular activities to facilitate informal and non-formal learning and enhance their overall development.

Advanced learners are encouraged to represent the College in University, State and National level competitions in academic and para-academic categories such as Seminar Presentations, Quiz Competitions, Debates, Research Paper writing etc.. 'Best Student' awards in various categories have been instituted to recognize meritorious students. Mentoring programmes by senior students, alumni, faculty and eminent persons belonging to different fields are also arranged to motivate and guide students.

Individual counseling, remedial coaching, revision lectures and additional study material are arranged for slow learners. Bilingual explanation is also sometimes imparted in and outside the classrooms to reinforce learning. Apart from the concessions provided by the University to slow learners such as additional time to write examinations, the College even permits slow learners additional time to complete internal assignments.

2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

Innovative audio-visual methods are adopted to facilitate a student-centric, experiential and interactive learning experience which has considerably leveraged during the pandemic and subsequent lockdowns in that the IT proficiency is much enhanced and teaching-learning has become multi-faceted.

Apart from syllabi learning classroom, academic and para-academic discussions, debates and competitions are arranged to help students to hone and exhibit their skills and talents. Student participation in NSS, NCC and DLLE is actively encouraged to inculcate leadership skills and to contribute towards nation-building. Committees such as the Students' Council and Cultural Committee; Women's Development Cell; E-Cell and Rotaract Club among others give students hands-on training in leadership, management, problem solving, people management etc. and also help to build group camaraderie. Participation in both offline and online Seminars and Research Colloquia help to develop the oratory skills, self-confidence and personality of students.

Students are also encouraged to contribute articles/illustrations etc.to the College Yearbook. The BAMMC Department even publishes its annual Magazine to provide hands-on training in writing, editing and content creation to students of Journalism.

Certificate courses in which industry professionals are invited as Resource Persons are conducted by different Courses and Departments. Campus Placement Drives are also arranged.

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

On account of the pandemic the College used ICT to impart, enhance and optimize the outreach of education, as well as to assess and evaluate the performance of students in internal and semester-end examinations and Viva Voce. Zoom links and laptops were provided to teachers by the College. Workshops and Training Sessions for the same were conducted, both for teachers, as well as students.

Emails, YouTube videos, WA groups, Zoom and Google classrooms were used extensively throughout the year to communicate with students; to provide learning material; to upload assignments and address queries. To collect data and feedback Google Forms were used. Recorded video lectures were also provided to students for referencing and Online Journals were made available by the Library.

To provide a wholesome learning experience to students online competitions, cultural activities, orientation programmes, PTA meetings, Yoga sessions for stress relief etc. were conducted online. Industry connect initiatives using Zoom were arranged to maintain industry collaborations. Student contribution for the College Yearbook was invited and incorporated online in a flip version magazine posted on the College website.

A regularly updated institution website kept students informed about admission procedures, payment of fees, examination schedules, roll call etc.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

The frequency and pattern of internal assessment are followed strictly as per University directions and individual course and subject requirements. In order to ensure transparency in the matter information about the time-table, syllabus, marking pattern etc. of internal assessment information is communicated to the students well in advance through Notices that are read out in classrooms and are forwarded over WhatsApp/Telegram/SMS. The involvement of Class Representatives (CRs) in forwarding information is active.

Continuous evaluation of students is done through Unit Tests, Group Discussions, Individual or Group Assignments, Seminars, Presentations, Practical Examinations and Viva Voce. In keeping with the nature and requirement of the subject of study teachers conduct online quizzes on platforms such as Quizizz.com, Google Classroom etc. These help to reinforce learning and to sustain student interest.

Evaluation of internal assessment is based on standard parameters such as Teacher Assessment, Classroom Participation and Performance and Viva-Voce.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

The Programme Outcomes, Programme Specific Outcomes and Course Outcomes are evaluated as per the framework given in the respective course syllabus. The same is communicated to the students during lectures. The progressively increasing passing percentage; students' progression from UG to PG studies and the increasing ratio of the campus and out of campus placement of students can be seen as the outcome of the attainment of POs, PSOs and COs.

Feedback from stakeholders is gathered by the institution to enhance POs, PSOs and Cos. The knowledge and skills acquired by students and their critical thinking capacity are evaluation through continuous Internal Evaluation, Semester-end Examinations and classroom interaction. Issues of gender, environment, human values and skill development are an integral part of curricular and extra-curricular activities. Various Course and Subject Departments and Committees organize Webinars, Presentations and Debates and arrange for internship on subject related to ethical practices. Gauging from the appreciable and increasing student participation it is evident that the awareness and sensitivity level of students is highly satisfactory. Interest and aptitude for further education and research can be estimated by the large

number of in-house candidates joining the M.Com. and Ph.D. programmes offered by the College, as well as those applying for Transcripts and Letters of Recommendations to pursue further studies abroad.

INFRASTRUCTURE AND LEARNING RESOURCES

4.1 - Physical Facilities

4.1.1 - The Institution has adequate infrastructure and physical facilities for teaching- learning. viz., classrooms, laboratories, computing equipment etc.

In all there are 30 classrooms, 3 computer laboratories and 1 conference room.

All the classrooms are well-equipped with projectors and screens to facilitate innovative teaching methods. Most of the classrooms have Air Conditioners.

The college has three well equipped computer laboratories:

In all there are 196 state of the art (i.3, i.5 ; 8GB RAM, 500 GB hard drive) computers. Apart from these, the labs are well equipped with 7 printers. Additionally there are 3 LCD Projector-being used for interactive sessions with students of various courses. Students also use this facility for their presentations thereby giving a good and real life feel. Mock examinations and online lectures are also conducted in these labs. This helps the students in getting a better understanding of the subject and in also noticing where the mistakes are committed thereby enabling them to improve and get a deeper understanding of the subject. All computers are networked using Microsoft Windows 2003 server.

There are 2 lease lines (20/15 MBPS)

There are 2 broadbands (100/200 MBPS)

These are linked Via Wi-Max/ Fibre Optics connection in the college and internet facility is available on all computers. We are proud that our computer laboratory is equipped with the state of the art technology and is comparable to the best in the

country.

5.4 - Alumni Engagement

5.4.1 - There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services

Yes, the College has an Alumni Association. The college continues its interaction with students even after they have formally left college for higher studies through an active Alumni Association. The association is constituted with members Executive Committee and General Body. The students who have completed UG or PG or M. Phil. or Ph.D. from the college are eligible to register as a member of the alumni association.

The first initiatives were taken by Manish Ajmera, managing director of Ajmera Group of Companies as he inaugurated the blood donation camp. Janak Sanghvi, also an alumni, actively helped in getting donors for the camp.

The N.S.S. unit of K.P.B. Hinduja College of Commerce in association with Alumni Association organized a webinar on Gender Justice in India to raise awareness against the discrimination women face and the journey women have travelled to become empowered. Dr. Inamdar focused on how the battle of Gender Justice has to be fought by all the genders collectively. She supported her talk with various case studies. She also emphasised on how it is indeed difficult for women to become empowered, nevertheless they should walk towards being empowered.

The N. S. S. unit of K. P. B. Hinduja College of Commerce in association with Alumni Association organised an event to speak more about consumerism and financial literacy.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

Vision "To Empower our students not only to excel but to outshine." Mission "To inculcate the values of hardwork, diligence and determination and above all, the will to succeed through holistic and multipronged approach."

The college always promotes the culture of participative management by involving staff and students in various activities.

All major policies of the college are planned and designed by the Management, Principal, Vice-Principal and Committee Conveners. The Management plays a major role in drafting the quality policy of the college. The Management has facilitated the college to start variety of courses to enable students to grab the opportunity of learning different programs under one roof. The Principal constantly collaborate with Vice Principal, HODs, Coordinators, faculty and non-teaching staff to upgrade the activities undertaken in the college. The Governing Body gives suggestions and monitors the procurement, introduction of new programs and welfare activities. All the staff members actively participate in implementing the policies, procedures, and framework designed by the management in order to maintain and achieve the quality standards and achieve vision and mission of the college. The faculty members are assigned duties pertaining to various administrative, academic and student activities, extension works etc. according to their expertise and efficiency.

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

Decentralized Management: The College supports a trend of decentralized governance system with proper well defined inter-relationships. The management of the college has two main committees i.e. Governing Body (GB) and College Development Committee (CDC). Regular meetings of these committees are held for the effective and smooth functioning of the college at different levels: 1. All decisions related to the college are taken by the Principal in consultations with the Head of departments. Principal is the academic and administrative head of the college and the Member of the Governing Body. 2. The Department Heads are responsible towards day-to-day administration of the department and reporting to the Principal. In addition, the staff members can give suggestions and ideas for improvement. Students also participate through different formal and informal feedback mechanisms.

6.2.2 - The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules, procedures, etc.

An organogram is a graphical representation of an organization's structure. It's used to show hierarchical relationships between top level management and the people who report to them, as well as departments. The organogram of the college describes the decentralized structure of the college administration. The college functions through the cooperative efforts of the management, principal, teaching and non-teaching staff members who strive hard towards a common goal.

The Principal and Vice Principal are involved in the implementation of the perspective plans of the College.

IQAC has been established in the college, which meets regularly to assess the quality deliverance of education in the college leading to achieve the course and program outcomes.

HOD and Course Coordinators along with the faculty members are responsible to administer the day-to-day activities of the respective department. Thus, they contribute significantly towards achievement of overall organizational objectives.

In college Librarian is the head of the library department. Registrar is the head of Non-Teaching Department. All the financial transactions are monitored by the Finance Officer. They play a vital role in smooth functioning of the college by providing assistance and helping in completing the university formalities in time. They ensure the administration of various sections are carried out properly and efficiently as per the college plans and instructions of the Principal and Vice-Principal.

Online Examination

During the tough pandemic times, as per the instructions of the University of Mumbai all the colleges were required to conduct the examinations in the online mode. The University had given the

responsibility for the conduct of the online exams to the Lead College among the Cluster so formed by them. The Lead College with mutual consent of all Cluster members commonly selected the service provider named Edfly for conducting the exams.

The college administration made sure that all the guidelines issued time to time by the University were followed. Students were made to appear a mock test before each exam, for them to get acquainted to the online examination portal. The exams for all the semesters were conducted based on the time-to-time communication from the university and also the results were declared within the given deadlines. The paper setters also supported by submitting the question paper sets within the given time frame.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

To achieve these objectives the Family Run Business and Entrepreneurship Cell provides the right atmosphere for budding entrepreneurs to work on and grow their idea.

Constitution of the Family Run Business and Entrepreneurship Cell has provided the right atmosphere for budding entrepreneurs to work on and grow their idea.The cell has given students invaluable knowledge and guidance of participating in a family business or starting a new venture.

The College has collaborated with the Asian Institute of Family Managed Business one of the reputed institutions having the right resources to provide necessary skills and guidance. Their objectives include the growth of family business entrepreneurship, promoting the importance of learning from established businessmen, to create a significant and sustainable collaborative model. This amalgam has not only provided respect and dignity to the college but also to its's students and it has paved a path for those who

choose to walk upon it.

Realizing that digital is no longer a fad. The magazines are entirely made and issued online on the college websites and other platforms.

With the use of digital magazine the students can easily adapt and are more inclined towards exploring the e-magazine.

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

The educational institutes and colleges have now started moving towards making their offices digital and least dependent on using paper

Instead of printing the documents and wasting the paper, the documents can be signed online as well and uploaded directly in the system where they need to be present.

The College has significantly decreased the use of paper in the offices and transitioned towards documents and files that are stored easily on the computers as PDFs and Images.

The students have also benefited as they can adapt to technology easily and also don't waste time in submitting the required documents to the office.

The time has come for everyone to adapt to digitizing information and reduce the dependency on paper as it not only helps the environment by saving the trees but also makes it easy to get prepared for the future.

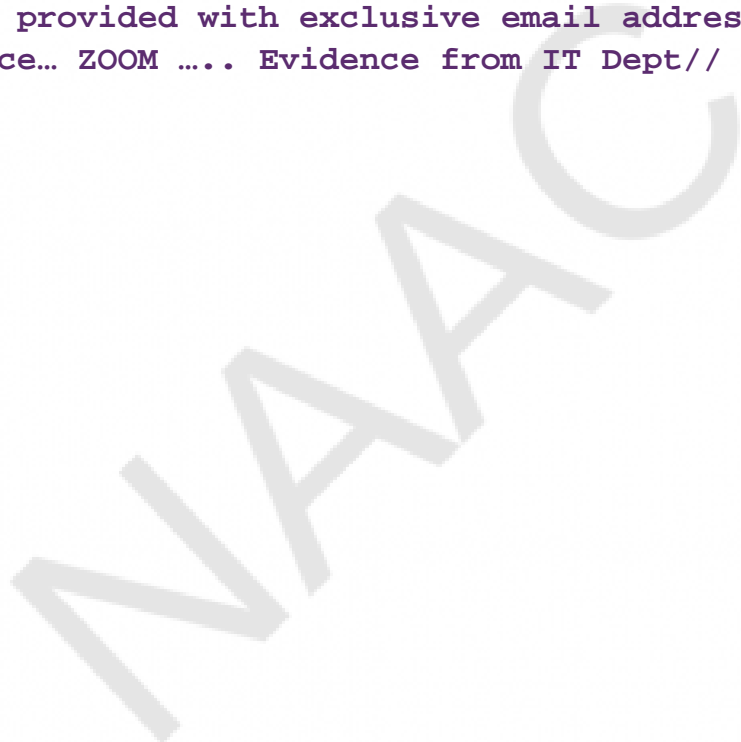

Zoom has become the number one used video platform for colleges to

conduct lectures and have important meetings among teachers and staff.

This is where EdFly is used. It's a 360-degree management solution for institutes. EdFly is designed to take care of all management components, be it student, staff, or administration related.

It has made the administrative tasks of the college efficient and as students got inclined towards online lectures, the attendance has been an ease for them due to the pandemic related crisis.

CURRICULAR ASPECTS

1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

Colleges affiliated to UOM and hence, all the programmes taught are required to implement the syllabus as prescribed by the UOM to achieve the educational, social and cultural objectives. Faculty members of various departments are involved with the Board of Studies

The teaching plan is verified by the HOD. Due to the pandemic situation, faculty members also use various ICT tools and active learning strategies to supplement the online learning management system and to make it more effective. Each department is encouraged to enhance and enrich the learning outcomes both through the curriculum as well as through various hands-on methods like presentations, seminars, projects and prior to the pandemic even with field visits which helps to supplement and complement the prescribed curriculum.

For the effective delivery and documentation of the curriculum, the College has a fully-equipped studio, editing bays and audio-visual production centres. The college teachers use PPT for elaborating principle concepts in the discussion. Cameras, laptops, recording equipment and other ICT tools and e-resources are made available to the students to enable them to undertake their curricular tasks. Updated library facilities with e-journals along with lesson notes through Google classrooms, question bank by the faculty help the students.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

As per the academic schedule determined by the UOM, a well-structured academic calendar is prepared by the Principal and College committees which provide relevant information regarding the date of commencement of the academic session, the teaching learning schedule (working days), various events to be organized, holidays, tentative dates for project submissions, Practical exam dates, internal examination, as well as semester-end examination dates.

The academic performance/progress of students is continuously monitored through internal assessments, project work, and semester-end examinations, during the semester to assess the learning levels of students. The transparency in examination is followed by the college.

In addition to the semester examinations, internal projects are also the part of Continuous Internal Evaluation. The University has changed the pattern of examination to the MCQ pattern.

Faculty members take best of efforts to ensure quality and to enhance academic growth and so students are encouraged to contact faculty beyond classroom hours for doubt-clearing and curricular discussions. The examination results are reviewed and the weaker students are taught again and also sometime consulted for their benefits. Extra hours are devoted to taking remedial classes to augment students' preparedness before University examinations.

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

To identify advanced and slow learners the learning levels and general knowledge of students are assessed through class-room discussions and performance evaluation. The identified students are then given individual guidance by faculty members and are encouraged to participate in various curricular, co-curricular and extra-curricular activities to facilitate informal and non-formal learning and enhance their overall development.

Advanced learners are encouraged to represent the College in University, State and National level competitions in academic and para-academic categories such as Seminar Presentations, Quiz Competitions, Debates, Research Paper writing etc.. 'Best Student' awards in various categories have been instituted to recognize meritorious students. Mentoring programmes by senior students, alumni, faculty and eminent persons belonging to different fields are also arranged to motivate and guide students.

Individual counseling, remedial coaching, revision lectures and

additional study material are arranged for slow learners. Bilingual explanation is also sometimes imparted in and outside the classrooms to reinforce learning. Apart from the concessions provided by the University to slow learners such as additional time to write examinations, the College even permits slow learners additional time to complete internal assignments.

The same is communicated to the students during lectures. The progressively increasing passing percentage; students' progression from UG to PG studies and the increasing ratio of the campus and out of campus placement of students can be seen as the outcome of the attainment of POs, PSOs and COs.

Feedback from stakeholders is gathered by the institution to enhance POs, PSOs and Cos. The knowledge and skills acquired by students and their critical thinking capacity are evaluation through continuous Internal Evaluation, Semester-end Examinations and classroom interaction. Issues of gender, environment, human values and skill development are an integral part of curricular and extra-curricular activities. Various Course and Subject Departments and Committees organize Webinars, Presentations and Debates and arrange for internship on subject related to ethical practices. Gauging from the appreciable and increasing student participation it is evident that the awareness and sensitivity level of students is highly satisfactory. Interest and aptitude for further education and research can be estimated by the large number of in-house candidates joining the M.Com. and Ph.D. programmes offered by the College, as well as those applying for Transcripts and Letters of Recommendations to pursue further studies abroad.

INFRASTRUCTURE AND LEARNING RESOURCES

4.1 - Physical Facilities

4.1.1 - The Institution has adequate infrastructure and physical facilities for teaching- learning. viz., classrooms, laboratories, computing equipment etc.

In all there are 30 classrooms, 3 computer laboratories and 1 conference room.

All the classrooms are well-equipped with projectors and screens to facilitate innovative teaching methods. Most of the classrooms have Air Conditioners.

The college has three well equipped computer laboratories:

In all there are 196 state of the art (i.3, i.5 ; 8GB RAM, 500 GB hard drive) computers. Apart from these, the labs are well equipped with 7 printers. Additionally there are 3 LCD Projector- being used for interactive sessions with students of various courses. Students also use this facility for their presentations thereby giving a good and real life feel. Mock examinations and online lectures are also conducted in these labs. This helps the students in getting a better understanding of the subject and in also noticing where the mistakes are committed thereby enabling them to improve and get a deeper understanding of the subject. All computers are networked using Microsoft Windows 2003 server.

There are 2 lease lines (20/15 MBPS)

There are 2 broadbands (100/200 MBPS)

These are linked Via Wi-Max/ Fibre Optics connection in the college and internet facility is available on all computers. We are proud that our computer laboratory is equipped with the state of the art technology and is comparable to the best in the country.

4.1.2 - The Institution has adequate facilities for cultural activities, sports, games (indoor, outdoor), gymnasium, yoga centre etc.

College has a policy of regularly maintaining its physical

resources through various Annual Maintenance Contracts such as elevators, air-conditioners, sanitation facilities etc. Fire extinguishers are placed at all the prominent places in the college premises. College has seminar hall with ICT facilities including smart board. College has a policy whereby a proper procedure is followed to buy any equipment for which purchase committee is formed. Quotations are invited by different suppliers before final purchase. College has well equipped gymkhana which is well maintained by Gymkhana Committee. Annual Day and other Cultural activities are conducted in auditoriums outside college. Students are motivated to participate in various sports activities at State, National and International level. College allows them to use the Gymkhana facilities with prior permissions. As far as outdoor activities are concerned, the University or other sports grounds are booked well in advance. The students get reimbursement of travelling expenses when they go outstation to represent college. They get reimbursed once they submit all the documents for the same. A qualified Coach guides the students for different sports activities. The coach also maintains the students' attendance records which is submitted to the Gymkhana Committee. There is a health centre in the college on the first floor where a qualified doctor is available for few hours on some days of the week.

4.3 - IT Infrastructure

4.3.1 - Institution frequently updates its IT facilities including Wi-Fi

Apart from the computer laboratories setup for syllabus programs the college has provided computer centers for general purposes and learning during extra hours. This includes internet facilities available through leased line and Wi-Fi for providing continuous and uninterrupted internet connectivity to students and faculty members. These facilities are also available to students beyond college hours for preparation of seminars & projects and research-orientated work. The entire campus is Wi-Fi enabled and students can access the internet on their laptops round the clock.

- 20 MBPS Lease line (AirNet)
- 15 MBPS Lease line (Hathway)
- 200 MBPS Broadband (One Broadband)
- Wi-Fi facility 24 hours in campus
- Dedicated Internet Lab.

We have local area wireless technology which allows an electronic device to exchange data or connect to internet using

200 MBPS in our college campus with help of High Standard AP (Access Point)

The coverage is not just limited to the classrooms, instead it extends to all the facilities within the campus premises.

5.4 - Alumni Engagement

5.4.1 - There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services

Yes, the College has an Alumni Association. The college continues its interaction with students even after they have formally left college for higher studies through an active Alumni Association. The association is constituted with members Executive Committee and General Body. The students who have

completed UG or PG or M. Phil. or Ph.D. from the college are eligible to register as a member of the alumni association.

The first initiatives were taken by Manish Ajmera, managing director of Ajmera Group of Companies as he inaugurated the blood donation camp. Janak Sanghvi, also an alumni, actively helped in getting donors for the camp.

The N.S.S. unit of K.P.B. Hinduja College of Commerce in association with Alumni Association organized a webinar on Gender Justice in India to raise awareness against the discrimination women face and the journey women have travelled to become empowered. Dr. Inamdar focused on how the battle of Gender Justice has to be fought by all the genders collectively. She supported her talk with various case studies. She also emphasised on how it is indeed difficult for women to become empowered, nevertheless they should walk towards being empowered.

The N. S. S. unit of K. P. B. Hinduja College of Commerce in association with Alumni Association organised an event to speak more about consumerism and financial literacy.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

Vision "To Empower our students not only to excel but to outshine." Mission "To inculcate the values of hardwork, diligence and determination and above all, the will to succeed

through holistic and multipronged approach."

The college always promotes the culture of participative management by involving staff and students in various activities. All major policies of the college are planned and designed by the Management, Principal, Vice-Principal and Committee Conveners. The Management plays a major role in drafting the quality policy of the college. The Management has facilitated the college to start variety of courses to enable students to grab the opportunity of learning different programs under one roof. The Principal constantly collaborate with Vice Principal, HODs, Coordinators, faculty and non-teaching staff to upgrade the activities undertaken in the college. The Governing Body gives suggestions and monitors the procurement, introduction of new programs and welfare activities. All the staff members actively participate in implementing the policies, procedures, and framework designed by the management in order to maintain and achieve the quality standards and achieve vision and mission of the college. The faculty members are assigned duties pertaining to various administrative, academic and student activities, extension works etc. according to their expertise and efficiency.

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

Decentralized Management: The College supports a trend of decentralized governance system with proper well defined inter-relationships. The management of the college has two main committees i.e. Governing Body (GB) and College Development Committee (CDC). Regular meetings of these committees are held for the effective and smooth functioning of the college at different levels: 1. All decisions related to the college are taken by the Principal in consultations with the Head of departments. Principal is the academic and administrative head of the college and the Member of the Governing Body. 2. The Department Heads are responsible towards day-to-day administration of the department and reporting to the Principal. In addition, the staff members can give suggestions

and ideas for improvement. Students also participate through different formal and informal feedback mechanisms.

6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

Online Education through Zoom Meeting Platform:

In Covid 19 Pandemic from September 2020 onwards, online teaching - learning process were introduced on Zoom Platform. Teachers and students were required to login through newly created @hinduja college unique ID. The Telegram link, lecture link, timetable and Code of conduct were shared to ensure successful learning. Committee meetings, Seminars, Webinars were also conducted online.

Digital Library

- Library has its own collection of approximately 52,000 and 82 National and International journals including print and online.
- Library is a hybrid library and digitized since 2018, New library software KOHA has advanced function of library services. With an OPAC system, students and teachers can access the library collection and also select or reserve the required book.
- We have subscribed Remote-Log software, with the help of which our databases i.e. J-Gate, IBI, and INFLIBNET N-List enable our teachers and our researchers to access lakhs of national and international journals, thesis, and other research articles.
- Hinduja college library has an institutional membership with the Indian Merchant Chamber (IMC) and SNDT University, Churchgate. This allows our students, teachers, and research scholars to access their library and even to borrow books that are not available in our library.

6.2.2 - The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules, procedures, etc.

An organogram is a graphical representation of an organization's structure. It's used to show hierarchical relationships between top level management and the people who report to them, as well as departments. The organogram of the college describes the decentralized structure of the college administration. The college functions through the cooperative efforts of the management, principal, teaching and non-teaching staff members who strive hard towards a common goal.

The Principal and Vice Principal are involved in the implementation of the perspective plans of the College.

IQAC has been established in the college, which meets regularly to assess the quality deliverance of education in the college leading to achieve the course and program outcomes.

HOD and Course Coordinators along with the faculty members are responsible to administer the day-to-day activities of the respective department. Thus, they contribute significantly towards achievement of overall organizational objectives.

In college Librarian is the head of the library department. Registrar is the head of Non-Teaching Department. All the financial transactions are monitored by the Finance Officer. They play a vital role in smooth functioning of the college by providing assistance and helping in completing the university formalities in time. They ensure the administration of various sections are carried out properly and efficiently as per the college plans and instructions of the Principal and Vice-Principal.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

To achieve these objectives the Family Run Business and Entrepreneurship Cell provides the right atmosphere for budding entrepreneurs to work on and grow their idea.

Constitution of the Family Run Business and Entrepreneurship Cell has provided the right atmosphere for budding entrepreneurs to work on and grow their idea. The cell has given students invaluable knowledge and guidance of participating in a family business or starting a new venture.

The College has collaborated with the Asian Institute of Family Managed Business one of the reputed institutions having the right resources to provide necessary skills and guidance. Their objectives include the growth of family business entrepreneurship, promoting the importance of learning from established businessmen, to create a significant and

sustainable collaborative model. This amalgam has not only provided respect and dignity to the college but also to its's students and it has paved a path for those who choose to walk upon it.

Realizing that digital is no longer a fad. The magazines are entirely made and issued online on the college websites and other platforms.

With the use of digital magazine the students can easily adapt and are more inclined towards exploring the e-magazine.

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

The educational institutes and colleges have now started moving towards making their offices digital and least dependent on using paper

Instead of printing the documents and wasting the paper, the documents can be signed online as well and uploaded directly in the system where they need to be present.

The College has significantly decreased the use of paper in the offices and transitioned towards documents and files that are stored easily on the computers as PDFs and Images.

The students have also benefited as they can adapt to technology easily and also don't waste time in submitting the required documents to the office.

The time has come for everyone to adapt to digitizing information and reduce the dependency on paper as it not only helps the environment by saving the trees but also makes it

easy to get prepared for the future.

Zoom has become the number one used video platform for colleges to conduct lectures and have important meetings among teachers and staff.

This is where EdFly is used. It's a 360-degree management solution for institutes. EdFly is designed to take care of all management components, be it student, staff, or administration related.

It has made the administrative tasks of the college efficient and as students got inclined towards online lectures, the attendance has been an ease for them due to the pandemic related crisis.
